Clean Energy, Safe Future

Rooftop Solar Made

Simple. Sustainable. Smart.

ABOUT US

SUNSHINE ENERGY

We Make Rooftop Solar with Integrity

At Sunshine Energy, we believe in powering a better tomorrow with honesty, innovation, and unmatched service. Based in Lucknow, we are a leading solar energy company offering custom rooftop solar solutions for homes, businesses, and industries. Our mission is not just to install solar panels, but to deliver clean energy with transparency, trust, and long-term value.

With a strong commitment to quality and customer satisfaction, we offer MNRE-approved systems, expert consultation, and complete support—from planning to installation to after-sales care. Our work is not outsourced; our in-house team ensures fast, safe, and efficient execution using only the best materials and latest technology.

Whether you're looking to cut your electricity bills, become energy-independent, or contribute to a greener planet, Sunshine Energy is your reliable partner in the solar journey.

OUR VISION

To lead India's solar revolution by offering reliable, affordable, and sustainable rooftop solar solutions with integrity and innovation.

OUR MISSION

To provide end-to-end solar energy solutions with the highest safety, performance, and client satisfaction standards, while contributing toward a cleaner and greener planet.

WHY SOLAR?

- ✓ Reduce electricity bills up to 90%
- ✓ Government subsidies & tax benefits
- ✓ Low maintenance & high returns
- ✓ Contribute to a sustainable future

OUR SERVICES

1. RESIDENTIAL SOLAR

Power your home with sunshine

- Tailored rooftop design
- Net-metering & subsidy support
- Smart inverters & app control

3. SOLAR PANEL WASHING & SITE MAINTENANCE

Keep your system at peak performance

- Panel Cleaning (Monthly/Quarterly)
- Wiring & Inverter Checkups
- Emergency Support (24 hrs)
- Vegetation & Pest Control

2. COMMERCIAL/ INDUSTRIAL SOLAR

Maximize energy savings

- Large-scale installations
- ROI-focused design
- Power backup integration

4. SOLAR AMC PACKAGES

Peace of mind, year-round

- Tiered AMC Plans (Basic, Standard, Premium)
- Seasonal Health Checkups
- AI-based Predictive Maintenance
- Reports & Energy Audits

WHY CHOOSE SUNSHINE ENERGY?

We bring together expert solar technicians, cutting-edge tools, and real-time analytics to deliver efficient and reliable solar solutions across India. With eco-friendly practices, 24x7 AMC support, and a dedicated client dashboard, we ensure your system runs at peak performance—always.

Trained Solar Technicians

Our certified and experienced technicians ensure flawless installation, maintenance, and troubleshooting of your solar systems.

Pan India Operations

From metros to remote towns, we offer seamless solar solutions and AMC services across every corner of India.

Eco-Friendly Tools & Cleaning

We use non-abrasive, water-efficient, and eco-conscious cleaning methods that protect your panels and the planet.

Energy Reports & Analytics

Get detailed reports with energy generation stats, performance insights, and recommendations to optimize output.

24x7 Support for AMC Clients

Round-the-clock assistance for AMC clients ensures fast resolutions and uninterrupted solar power.

System Uptime Commitment

We guarantee high-performance uptime with scheduled checkups and proactive maintenance to keep your system running efficiently.

Dedicated Client Dashboard

Track your energy generation, AMC schedules, reports, and support tickets in one user-friendly dashboard.

Solar AMC

(Annual Maintenance Contract) Services

Maximize Performance. Minimize Worry.

At **Sunshine Energy**, we don't just install solar systems—we help them perform at their peak, year after year. Our Solar AMC packages ensure proactive care, real-time monitoring, and long-term savings for residential, commercial, and industrial clients.

Core AMC Services

Keep your solar system in top shape with our routine maintenance and expert inspections:

- **Preventive Maintenance (Monthly/Quarterly)**
Regular cleaning, visual checks of panels, structure, and junction boxes.
- **Inverter Performance Check**
Analyze logs, detect faults early, and optimize output.
- **Remote Monitoring & Alerts**
IoT-based smart monitoring with real-time data, SMS/email alerts for any drop in performance.
- **Performance Guarantee & SLAs**
We commit to minimum annual energy yield and offer SLAs with uptime up to 98%.

Value-Added AMC Plans

Choose from tiered options tailored to your system size and usage:

Basic Plan

Panel cleaning & inspection every 6 months

Standard Plan

- Cleaning every 3 months
- Inverter & wiring check included

◆ Premium Plan

- All Standard features +
- Remote monitoring
- Warranty tracking
- Insurance coordination support

Seasonal Maintenance Packages

- **Summer:** Heat-resistance testing, voltage output analysis
- **Monsoon:** Waterproofing, leakage, and earthing checks
- **Winter:** Dust/fog-specific cleaning adjustment

Advanced Features

We go beyond the basics with tech-driven innovations:

- **Energy Audit Reports**

Annual system performance summary with ROI & recommendations

- **Predictive Maintenance with AI/ML**

Stay ahead with trend-based component failure forecasts

- **24x7 Emergency Hotline**

Fast resolution of system faults and power loss

- **Battery Health Check (for hybrid systems)**

Regular assessment of charge/discharge cycles & lifespan

Specialized Services for Commercial & Institutional Clients

- Custom SLAs tailored to operational schedules (e.g., weekend visits)
- Carbon Credit & ESG Reporting Assistance

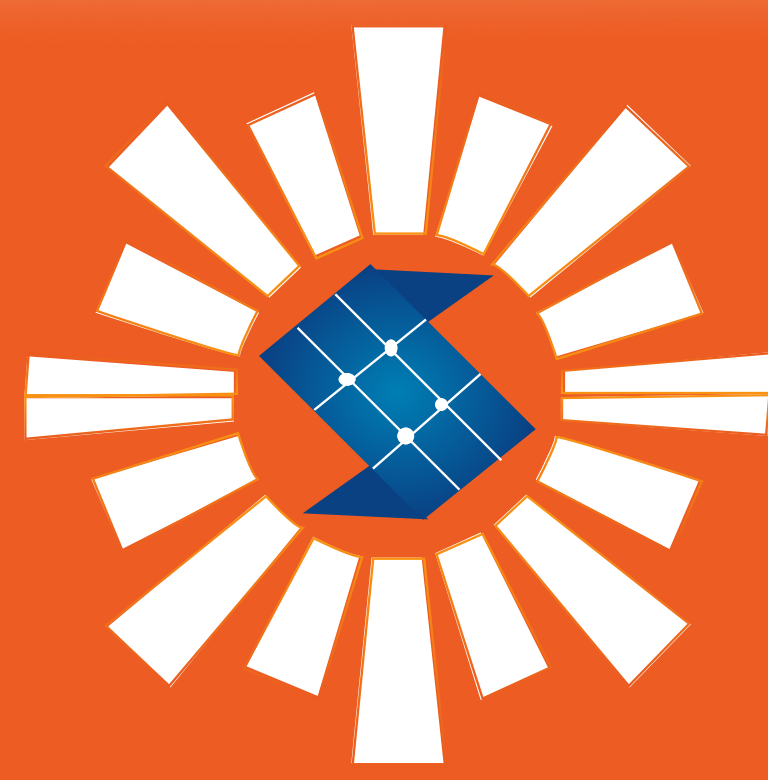

Support your green goals with verified energy and carbon data

Let Sunshine Energy Be Your Solar Partner for the Long Run.

- ✓ Peace of Mind
- ✓ Maximum ROI
- ✓ Expert Support
